Respected Principal,

As you are aware, the Eco Clubs are playing a vital role in sensitizing the students on various environment issues of Delhi. I take this opportunity to thank you for your continuous support and encouragement in the endeavor of Department of Environment, Govt. of NCT of Delhi.

I have immense pleasure in presenting your school a package of 10 environmental films. This package, I am sure will prove to be an effective tool in the hands of your very worthy environment science educators.

I am particularly thankful to CMS Environment for compiling this package. The package covers the topical environmental issues such as Climate Change, Sustainable Technologies, Water, Forests, Environmental Conservation, Nature and Wildlife Conservation.

The package comes to you in both English and Hindi versions and will be most relevant to students in the secondary and higher secondary classes. The animation films in the package will be particularly enjoyed by the students of the primary section.

Do share your feedbacks. Please feel free to write to CMS Environment or the undersigned for any query regarding the package.

Best wishes

Yours sincerely

  
(Dr B. C. Sabata) 13/11/09
