

## **“When I was trolled”**

### Promoting Online Safety of Women Journalists

A series of workshops by UNESCO and CMS are being organized for media professionals on online safety issues. The objectives of the workshop:

- To equip women journalists to protect themselves against attacks and how to deal with situations of online and offline harassment
- To strengthen gender sensitive safety policies within media organisations

The first workshop is being organized on **March 12, 2020** at **Indian Women's Press Corps (IWPC), 5 Windsor Place, New Delhi**
